

## **American Cavalier King Charles Spaniel Club Versatility Award**

The versatility award was created to recognize the dedication of our Cavaliers & their owners in the many disciplines in the sport of dogs. This award recognizes the accomplishments of Cavaliers who have trained and accomplished placements in an unusually wide array of conformation and performance competitions. The award recognizes the dog's temperament and structure, and the owner's drive and experience to train the dog to work as a team. These cavaliers clearly demonstrate the talent and adaptability of the Cavalier King Charles Spaniel.

Achievement of at least four (4) of the following accomplishments will qualify a Cavalier whose owner-handler is a member of the ACKCSC for the Versatility Award. The Versatility Award is a once in a lifetime award per Cavalier.

**Conformation – one major win**

**Agility – one open title in any class**

**Obedience – a CD (companion dog title)**

**Rally – an excellent title**

**Therapy Dog – AKC therapy dog title**

**Tracking – a TD (tracking dog title)**

Any member of the ACKCSC club may apply for the Versatility Award by completing the following form:

All qualifications must be acquired prior to the end of the current year (December 31, 2013) for the award to be granted in 2014. Please also provide a copy of the dog's pedigree and adequate documentation of each element of qualification for the award including, but not limited to, copy of AKC Title Certificate, picture of major win, event registration information. Application, documentation, and a picture of the applicants must be submitted to the current ACKCSC National Performance Chair by February 15, 2014.
