Fix and Go On (FNG)
As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog’s performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Although it is a relatively new sport, FAST CAT’s popularity has spread like wildfire. FAST CAT® provides a terrific opportunity to introduce new participants to the world of AKC sports. It is one of the few events where all that is needed to compete is a dog’s natural instincts. What is the Fast CAT? Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the startline and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH)

Eligibility –
To participate in FAST CAT®, your dog must be: • At least 12 months of age. • In both excellent physical and mental condition and up-to-date on all inoculations and health check-ups. • Have an one of the following AKC numbers: AKC Registration, AKC Canine Partners, Purebred Alternative Listing (PAL) program, or Foundation Stock Service®(FSS).
